<p>What are the activities and experience of the organization in the areas relevant for this application?</p>	<p>Field Works: With the Youth Caravan, informing young people about Eurodesk and Erasmus+, and mainly EVS in the field of Inter generational Interactions and art&culture.</p> <p>European Voluntary Service and Management: As S/H/C Organization we have volunteers those we sent and have been sending as part of our accreditation and we have been working actively in this context. S&G regularly organizes and hosts different types of activities targeted at youth education and development especially in the field of inter generational activities as coordinating 2013-TR-32</p> <p>Inter-generational Active Living Activities “Mirror Project”. The aim of this project is to strengthen the participation of young and elderly people in the social life in Ankara; by minimizing the generation gap, to ensure that elderly will play an active role in the society and finally to support the consciousness of young people regarding social responsibility.</p> <p>“TRIANGLE Net” (Tools for Fair & Non-discriminated Health-care of Elderly People)</p> <p>Objectives: To create safe environment for elderly people. To deliver training on elder abuse to up skill care staff and other practitioners working with elderly people in Ankara, Konya and Eskişehir.</p> <p>Project Development and Implementation: Our S&G Youth Info Office is an incubator for project development. Our association has hosted in Turkey more than 50 projects on youth field (TC, YE, seminars, study sessions, conferences etc.) prepared projects, presented and carried out them since its establishment. For 2014 we already send 70 participants abroad and host for different projects (TC, YE, EVS) in Turkey more than 100 participants. We are strongly connected and with Ministry of Family and Social Policies of Turkey and most of the project we are doing and for them.</p> <p>DBN – Dialogue Between Neighbors:</p> <ul style="list-style-type: none"> -Involve Young people to dialogue with their neighbors who are come from different cultures/religions/social background-minority groups, preparing a practical record of their communication by using the method of participatory video -Increase the level of knowledge/tolerance/sympathy of local citizens and immigrants about cultural diversity in their community and focusing on common values, traditions etc. by promoting the video based on real life stories of migrants and their life in the foreign country <p>IMAGINE: Migrant Journeys The main purpose of our project "Imagine: Migrant Journeys" is to spread information about migration from Asia and Middle East to Europe. It will let people experience the journeys that migrants/refugees are making to escape the from the war in Syria and from the Taliban in Afghanistan. The idea behind this strategy board game is to get players to understand what a migrant/refugee has to go through in order to get to Europe. We hope that players will sympathise and empathise with these migrants via these games and help reduce the unprecedented rise in several negative trends such as xenophobia and radicalism. https://youtu.be/2tIs1M3tnY8</p>

	<p>On 13th of April 2017, S&G was awarded as ‘Eurodesk Network Prize Winner’ for ‘Imagine: Migrant Journeys’ project among 34 participants. System and Generation has produced 2000 copies of the game. The game was played by 700 youngsters in high school and universities in Turkey. In addition, the game was sent and played to many of our partners in Italy, Slovenia, Romania, Sweden, Bulgaria, Germany, Belgium, United Kingdom, Greece. The original version of the Journey is in English, but the game is now translated in Turkish, French, Arabic and Albanian.</p> <p>Here you may find the video of the award: https://www.youtube.com/watch?v=gEsnoOejYR8&feature=youtu.be</p> <p>NesilFEST (Generation Festival) was developed as an output of the local project called AYNA which our organization implemented last year in cooperation with Turkish Ministry of Family and Social Policy. The idea of the project is to organize a better communication between youth and elderly people, by involving them in different activities. The Project consists of diverse modules for the development of different skills and competences. As conclusion, our goal is to support adult productivity, youth individuality and youth bio-psycho-social development with learning-focused workshops and activities.</p> <p>Volunteering for Generation: The main objective of the project is strengthening old and young people's participation in social life, ensuring that old people play an active role in society by reducing the generation gap and contributing to the development of young people's awareness of social responsibility. EVS volunteers will be a part of active living with elderly and people with disabilities to create a model to develop interaction and dialogue between generations of young and old people. The volunteers will be working with a Social Worker on the facilitation of the services delivered for elderly and disabled people. Helping actively for the activities with kids (migrants and locals) and also attending Turkish language classes every week.</p> <p>3.S for INTERCULTURAL CITIZENSHIP EDUCATION. This project was funded by ALF(Anna Lindh Foundation). This project aims to promote intercultural dialogue among the members of the Heads of networks belonging to Anna Lindh Foundation. It has been got inspired by the “Intercultural Cities Progra” lead by the Council of Europe, where a range of cities across the Euro-med region have been analyzed according to the management of diversity as an asset rather than as a threat, to an intercultural integration model. The project provides for three seminars:</p> <ol style="list-style-type: none"> 1- Cultural diversity seminar for ICE in Tangier (Morocco), 2- Intercultural integration challenges Seminar for Intercultural Citizenship Education: the case of Mazara del Vallo (Italy), 3- Creative and Social Entrepreneurial Seminar for a better intercultural integration in Bursa (Turkey).
